

Dear Parents,

It's hard to believe that our kids have headed off to college! If this is your first time, it can be exciting, heart-wrenching, relieving, and so much more! If it's your second, third or more, the emotions are still there; maybe not so close to the surface. No matter how old your child, it's not easy sending them off to college. We're here to help!

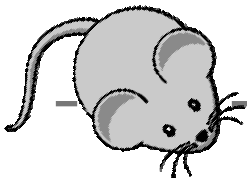

The College Ministry at Main Street UMC has a Church Mouse Program to support your child during his/her year away from home. Like a Secret Pal, your child's Church Mouse will send them goodies and notes throughout the school year. In May, the Church Mouse is encouraged to reveal his/her identity to your student if they wish.

We need some information about your student. Please complete the self addressed enclosed postage and return it to the church office. If you have any questions about this ministry, please contact Wayne Purdy at 993-3411.

We have a great group of kids going off to school this year. We hope to get a large group of Church Mice gathered to support them. Students will be assigned a church mouse starting with the Freshmen, then Sophomores, Juniors, Seniors then Graduate students. In the meantime, we continue to pray for the safety and care of our kids, their roommates, professors, and friends.

Yours in Christ,  
The College Ministry Team
