

Life on the Road!

God Alive

For the past month I traveled around Southern BC to talk with youth at schools and churches about God's heart for missions. As I spoke with youth I was encouraged by their desire to use their energy and enthusiasm for God's glory. While traveling, God humbled me as I received lots of generosity and hospitality from churches and individuals who gave the team places to sleep and food to eat. This mobile tour has shown me how alive and active God is in Canada. The more I step out of my comfort zone the more I see God move in my life and in the lives of others.

Prayer Requests:

- I am looking for a place to live for July, August and September
- That I will learn more about resting in God and hearing his voice

Lord, Be My Strength *Isaiah 40:13*

I loved traveling around Southern BC while soaking in the beauty of God's creation, but being on the road can be very tiring. God reminded me this past month of

the importance of resting in him and allowing the Lord to be my strength. There were days on the tour I didn't think I had the energy to speak in front of youth. God

would gently remind me that he would renew my strength if I rested in him. I know God touched many lives through this tour as he gave me the strength to make it happen.
