

Hands Together Childcare Reservation

I will be participating in Hands Together with Main Street UMC on Saturday, October 7th. In order to participate, I will need childcare.

Elementary school children are encouraged to go with Nancy Blakemore to sing at nursing homes. Third grade and up can help with the carnival if accompanied by an adult. (Fill out a “regular” Hands Together Form for children participating in these projects.)

Childcare will be provided from 8 a.m. until 1 p.m.

Please pick up your child as soon as your project is completed, but NO LATER than 1 p.m.
